Cream Graham Rolls.
Add one-half cupful of ice water to one and one-half cupfuls of cold cream. Make into a dough with three cupfuls of graham flour, sprinkling in slowly with the hands, beating at the same time to incorporate as much air as possible until the dough is too stiff to be stirred; then knead thoroughly, form into rolls and bake.

PURE BLOOD

The Greatest Blessing Mankind Can Have

Millions of people need this powerful vegetable remedy that puts the stomach, liver and bowels in fine condition; that clears the skin of pimples, rash, blemishes and eczema; that dissolves bile and carbonaceous matter; that makes nerves stronger and steadier and gives to pale, weak, rundown people the fullness of health and happiness.

Dr. Pierce's Golden Medical Discovery, free from alcohol or narcotics, does just what is stated above, simply because it banishes from the blood all poison and impure matter. It is the world's great Blood Purifier; so wonderfully penetrating that it even enters the joints, dissolves the impure deposits and carries them out, as it does all impurities, through the Liver, Bowels, Kidneys and Skin.

If you have indigestion, sluggish liver, backache over the kidneys, nasal or other Catarrh, unsteady nerves or unsightly skin, get Dr. Pierce's Golden Medical Discovery to-day and start at once to replace your impure blood with the kind that puts energy and ambition into you and brings back youth and vigorous action.

All medicine dealers can supply you in either liquid or tablet form or send 50 cents for trial box of tablets to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y. Write for free booklet on blood.

Mrs. S. J. Williams, 204 South "C" Street, Muskogee, Okla., says: "When I was in need of a blood medicine, I used Dr. Pierce's Golden Medical Discovery. A friend of mine used it and she told me how good it was. I took one bottle and found that it helped me. It was in every way a good medicine."

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

Grapes With Orange Juice.
Cut the Tokay and white grapes in halves after washing and draining them well and extract the seeds, place in searbox cup and sprinkle lightly with sugar. Squeeze the juice of half an orange over each cup and serve very cold.

Roasted Cheese.
Slice graham or white bread thin and cover with slices of Swiss cheese. Sprinkle with paprika and salt and bake in a hot oven till the cheese is melted.

Beware of Ointments for Catarrh That Contain Mercury
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is too great to be paid for by any possible benefit from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 50c per bottle. Take Hall's Family Pills for constipation.

DAILY THOUGHT.
Cultivate kindly, those friendships of your youth; it is only in that season that they are formed. How different the intimacies of after years are and how much weaker the camp of your hand after it has been shaken about in twenty years commerce with the world and has quivered and dropped a thousand equally careless palms.—Tennyson.

Sick Women Made Well

Reliable evidence is abundant that women are constantly being restored to health by Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually publishing in the newspapers—hundreds of them—are all genuine, true and unsolicited expressions of heartfelt gratitude for the freedom from suffering that has come to these women solely through the use of Lydia E. Pinkham's Vegetable Compound.

Money could not buy nor any kind of influence obtain such recommendations; you may depend upon it that any testimonial we publish is honest and true—if you have any doubt of this write to the women whose true names and addresses are always given, and learn for yourself.

Read this one from Mrs. Waters:

CAMDEN, N.J.—"I was sick for two years with nervous spells, and my kidneys were affected. I had a doctor all the time and used a galvanic battery, but nothing did me any good. I was not able to go to bed, but spent my time on a couch or in a sleeping chair, and soon became almost a skeleton. Finally my doctor went away for his health, and my husband heard of Lydia E. Pinkham's Vegetable Compound and got me some. In two months I got relief and now I am like a new woman and am at my usual weight. I recommend your medicine to every one and so does my husband."—Mrs. TILLIE WATERS, 530 Mechanic Street, Camden, N.J.

From Hanover, Penn.

HANOVER, PA.—"I was a very weak woman and suffered from bearing down pains and backache. I had been married over four years and had no children. Lydia E. Pinkham's Vegetable Compound proved an excellent remedy for it made me a well woman. After taking a few bottles my pains disappeared, and we now have one of the finest boy babies you ever saw."—Mrs. C. A. RICKARDS, R.F.D., No. 5, Hanover, Pa.

Now answer this question if you can. Why should a woman continue to suffer without first giving Lydia E. Pinkham's Vegetable Compound a trial? You know that it has saved many others—why should it fail in your case?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs. It has restored so many suffering women to health.

figure, but the sunny disposition, the clear complexion, the rosy cheeks, the gleaming eyes, the ruby lips, the pearly teeth, the plump form, together with perfect poise of body, which all may cultivate, will lead even a greater charm.

Early beginning count for much in matters pertaining to health, as with all other things connected with child culture. Upon the right treatment of the little babe during the first year depends much of its subsequent well-being.—Mrs. E. E. Kellogg, in "Good Health."
